5 - 6 SEPTEMBER 2018

5th IET INTERNATIONAL CONFERENCE ON CLEAN ENERGY AND TECHNOLOGY

INTRODUCTION

The Clean Energy and Technology (CEAT) Conference is a series of international conferences with a focus on study, research and development, application and advocacy on clean and renewable energy. Being the 5th of its series, CEAT 2018 will take place in Pullman Kuala Lumpur Bangsar Hotel, Kuala Lumpur, Malaysia from 5 - 6 September 2018. For the first time, the CEAT 2018 is jointly organized with the 4th International Conference on Global Sustainability & Chemical Engineering (ICGSCE 2018).

CEAT 2018 aims to provide a premier academic platform for researchers from all around the world to present their latest research findings, ideas, developments and applications in the field of clean energy and technology. It also provides a unique interdisciplinary forum that can create potential collaboration and networking among the academics, engineers and researchers leading to a development of new technology and solutions for a greener future.

KEYNOTE SPEAKER
